UNSTARRED QUESTION NO:422
ANSWERED ON:20.11.2007
GROWTH CENTRES
Agarwal Shri Dharendra

Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

- (a) the details of Growth Centres operating in the country, State-wise including Jharkhand;
- (b) the details of achievements made by these Centres during each of the last three years, State-wise including Jharkhand; and
- (c) the steps taken by the Government to expedite the delivery mechanism of all its Central infrastructure schemes?

Answer

MINISTER OF THE STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI ASHWANI KUMAR)

(a) to (c): Under the Growth Centre Scheme 71 Growth Centres were sanctioned all over the country. A statement indicating details of all the 71 Growth Centres location wise, State wise including Jharkhand as well as land acquired, plot/ sheds developed etc. by them is at Annexure. The Growth Centre at Hazaribagh has been categorized as 'not successful' because of lack of any progress; therefore it has been decided to abandon this Growth Centre.

On the basis of a sample survey conducted by the Planning Commission and the Impact Evaluation Study by National Productivity Council, Department of Industrial Policy & Promotion, in consultation with the Planning Commission, has decided to discontinue the Growth Centre Scheme as it has largely failed to achieve its objectives. Growth Centres (numbering 15) found 'not successful' have been abandoned and no central assistance will be provided to these centres. However, Growth Centres (numbering 42) which have been found partially, moderately or highly successful as well as Growth Centres located in North Eastern States and Special Category States, viz., Uttarakhand, Himachal Pradesh and J&K (numbering 14) will be provided Central assistance till 31st March, 2009. The concerned State Governments have been asked to make these Growth Centres operational by March, 2009. The Government constantly monitors all the Schemes including Central infrastructure schemes for better performance.

Annexure

Statement referred to in reply to part (a) to (c) of the Lok Sabha Unstarred Question No. 422 for answer on 20.11.2007 regarding Growth Centres.
